SUMMER A SSIGNMENT

CLASS-II

Dear Parents

Summer break is one of the exciting ways to explore different attributes of our students that define them and make them unique. It gives us the opportunity to identify their acute and specific needs for learning and offer them solutions to reinvent themselves. Therefore, we have planned a fun-filled array of holiday activities for the students to keep them constructively busy and put boredom at bay. We believe that excellence is not an act but a habit that is gained by doing the things and exploring the unknown repeatedly. Hence, the holiday activities will ensure to keep in view the rejuvenation that our students need and also maintain the educational continuum.

The summer break starts from 27th May to 30 June. The school will reopen on 1st July, 2022 Our students are meant to shine.

Their enormous human potential is incomparable. Let their talents lay the foundation for their future.

Summer says, "Let's blossom!"

Thanks and Regards
