**Note :-**

**All are requested not to share the link with outsiders / other students.**

Students please arrange all the material required for Summer Camp Activities one day before the Activity day and join the class timely. Message for requirement of items will be sent by the concerned Teacher in your Class Groups.

The benefits of summer camp for young children are manifold. On one hand, they are able to spend their day being physically active and mentally alert. While on the other hand, the wide range of activities will surely make them more confident and instill life-long skills.

We look forward to seeing our young minds recreating summers in a new way!

**STAY SAFE! STAY HEALTHY**

**Thanking You.**

**Regards**
