

D.A.V. PUBLIC SR. SEC. SCHOOL, PHASE-10, MOHALI
ACTIVITY: "EARTH DAY ACTIVITY"

**Earth is the most comfortable seat
Always gives us a priceless treat
Keep us healthy and sweet
Friends it's our duty
to preserve it -beautiful and neat.**

Dear Parents
Greetings!

We are extremely lucky as we are the residents of the unique and blue planet Earth. Mother Earth has always been immensely kind to all of us. DAV Mohali is celebrating 'Earth Day' on 21 April 2023 to express our gratitude towards mother Earth. Following activities will be conducted for classes 3rd to 10th on this special occasion.

Class	Name of the Activity
III-V	Best out of Waste
VI-VIII	Slogan Writing: 'Invest in our Planet'
IX-X	Declamation Contest: 'Sustainable Solutions for Climate Change'

Students are requested to arrange all the required material for the above mentioned activities beforehand. Hope these activities will make the students more confident and instill generosity and kindness in them.

Planet earth is rare, so take care.

Looking forward to your kind cooperation!

Thanks & Regards
DAV Mohali family
