The Lok Sabha elections, held every five years, are a crucial event in India's democratic process. They determine the members of the Lok Sabha, the lower house of India's bicameral Parliament. In this homework, you will explore the 2024 Lok Sabha elections with a special focus on the states of Punjab and Odisha.

COLLAGE/CHART MAKING

Creating a collage or chart can be an engaging and informative way to understand and present information about the Lok Sabha elections.

Below are some ideas to help you create visually appealing and educational collages or charts with a special focus on Punjab and Odisha.

1.ROLL NO 1 to 10

Create a bar chart or pie chart showing the election results for Punjab and Odisha. Include the number of seats won by each party. Use different colors to represent different parties and provide a legend for easy reference.

2.ROLL NO 11 TO 20 Create a collage showcasing the symbols , logos ,photos of prominent candidates from each major party in Punjab and Odisha.

3.ROLL NO 21 onwards Collage that highlights the major issues in the 2024 elections for both states. Use newspaper clippings and printed images to represent topics like agriculture, unemployment, development. and tribal welfare.

Steps to Create Your Collage or Chart

- **Research and Gather Materials:** Collect all necessary information, images, and materials before starting your collage or chart.
- **Plan the Layout:** Sketch a rough layout to plan where each element will go. Ensure your collage or chart has a logical flow and is easy to read.
- **Create and Assemble:** Cut out and arrange your images, symbols, and data on the paper. Use glue to fix everything in place. Add labels and annotations with markers.
- **Review and Finalize:** Check for any errors or missing information. Make sure everything is neatly arranged and easy to understand.
